

ITAI CRASH DAY 2025

3 July 2025

Darley Moor Race Circuit

Derbyshire, DE6 2ET

July 2025 sees the return of our very successful research day for Forensic Collision Investigators and Industry Professionals.

Who should attend ?

This is a must attend event for all those who are interested in the outcomes of collisions, including:

- Members of the emergency services
- Vehicle examiners
- Designers and users of roadside furniture
- Suppliers of forensic equipment for vehicle and system testing
- Suppliers of Incident scene mapping and vehicle data capture
- Highways management
- Insurance claim management
- Students and members of the motor industry

This event attracts over 600 attendees annually, offering unparalleled networking and learning opportunities.

Don't miss out on this unforgettable day filled with insights into the world of forensic collision investigation.

The event is free to attend, however all attendees must be registered with ITAI to do so. Please register at;

www.itai.org/event-5962021

THE INSTITUTE
OF
TRAFFIC ACCIDENT INVESTIGATORS

Why Attend ?

- Experience live crashes.
- Walk our post-crash track to examine real-life debris fields and vehicle damage.
- Network with Industry Experts.
- Engage with a range of lectures featuring top experts.
- Explore a bustling exhibitor marquee.

The Crash Day team are hard at work on finalising an action-packed agenda to ensure that 2025 is as successful as ever.
